

PRESS RELEASE

FACE network Video Contest 2021 is launched!

- Are you making farmhouse or artisanal cheese?
- Are you a passionate dairy producer?
- Would you like to share your experiences beyond your direct contacts?

Then be welcome to our video contest 2021!

For the fifth time, FACE Network launches this video contest. Our aim is to highlight the current reality and diversity of the traditional dairy sector of Europe, through the eyes of people who are in the sector.

The deadline to submit your video is December 1th, 2021.

Find all information about application and prices on www.face-network.eu/video-contest
